GLASSWARE:

Each release of Cloud 9 features a rotating selection of hops which impart their unique expressions into every batch of this hazy IPA. We showcase the hops' flavors while purposefully curating their bitterness, resulting in a juicy hop and citrus profile that has been described as liquid clouds.

GOVERNMENT WARNING: (1) According to the Surgeon General, excessive drinking can lead to serious problems including pregnancy because of the risk of birth defects. (2) Consumption of alcoholic beverages impairs your ability to drive a car or operate machinery, and may cause health problems.
