THE BALVENIE DISTILLERY remains totally dedicated to the *traditions, care and craftsmanship* of malt whisky making and has been owned and managed by the same *independent* family company for five generations.

Nowhere else will you find a distillery that still grows its own barley, that still malts in its own traditional floor maltings, that still has coopers to tend the casks and a coppersmith to tend the stills.

From this Distillery comes
PEATED CASK
characterised by sweet spice
and smoke
