Old Tankard ALE

1937 BREWER'S LOG RECIPE

Craft beer in cans isn't a new idea. In fact, its over 80 years old. 1935 was the first year beer was ever packaged in cans and the year Pabst introduced Old Tankard Ale in its proprietary KEGLINED™ Tap-a-can to retain freshness.

As found on the original Old Tankard Ale cans:

"...Here is genuine ale in a non-refillable, brewery-sealed container which protects against the harmful effects of light-tampering-anything or anybody. Now you can enjoy the tang, aroma, vigor, and rich mellow flavor of real ale, unimpaired."
