ST. GEORGE SPIRITS

As one of the oldest craft distilleries in the United States, we've long been regarded as pioneers and innovators. After 30 years of handcrafting our own spirits, we've developed a wicked little side hobby: barrel thieving.

With Breaking & Entering, our plunder is your pleasure. We went deep into the rickhouses of Kentucky's most venerable bourbon distilleries and selected our favorite barrels, then brought them back to our distillery to blend into something greater than the sum of their parts. The result is a criminally delicious bourbon whiskey shaped by a Kentucky pedigree and California ingenuity.

Blended artfully to be enjoyed responsibly.
