2005
CALCU

Calcu: A magician in the Mapuche language

In this "Super Chilean" blend, winemakers Juan Alejandro Jofré and Ricardo Rivadeneira capture the diversity of the Colchagua Valley by combining the range of distinctive flavors into a single wine. Juan Alejandro and Ricardo artfully blend the mineral notes and fresh acidity of grapes from the Andes foothills with the ripe tannins and red fruit from the center of the valley, and finally add richness and body from grapes grown closer to the Pacific Ocean. The resulting wine is lightly oaked allowing the grapes's natural, fresh fruit character to shine through.

60% Cabernet Sauvignon, 20% Cabernet Franc, 20% Carmenere
