## TEXAS ALCOHOLIC BEVERAGE COMMISSION

Texas Helping Businesses & Protecting Communities

Living Food for the Living Body®

### Rejoice!

#### A Better Way to Drink

We believe better health comes from better choices – and the alcohol you drink should be no exception. From the world's most loved Kombucha company comes a thoughtfully crafted Hard Kombucha that has just the right amount of ABV without compromising its quality or potency.

#### This is How We Brew It

Real Kombucha is not normally high in ABV. To achieve higher levels responsibly, we utilize a unique "dual fermentation." This method results in an alcoholic beverage that protects the integrity of kombucha's desirable properties. Each bottle offers a pure and sophisticated experience for those who want to imbibe while still prioritizing their health and wellbeing.

GT DIVE, FOUNDER

GOVERNMENT WARNING:  
(1) ACCORDING TO THE SURGEON GENERAL, WOMEN SHOULD NOT DRINK ALCOHOLIC BEVERAGES DURING PREGNANCY BECAUSE OF THE RISK OF BIRTH DEFECTS. (2) CONSUMPTION OF ALCOHOLIC BEVERAGES IMPAIRS YOUR ABILITY TO DRIVE A CAR OR OPERATE MACHINERY AND MAY CAUSE HEALTH PROBLEMS.

GT's Hard Kombucha has an extended fermentation that provides a bold flavor and contains 3% alcohol by volume (no more than 3.2% by weight or 4% volume).
