BARREL-AGED: LEGION
RUSSIAN IMPERIAL STOUT

Barrel-Aged Series takes a selection of our
beers and ages them in some of the finest
barrels available. The possibilities for
creativity are endless, and our brewers
dream big! Individual wooden
barrels impart distinctly different
flavors: vanilla, coconut,
honey and toast, as well as
any contribution from the
barrel's previous contents.
As a craft brewery, we love the
varying nuances imparted by
each of these amazing barrels,
and strive to make each release in
this series a unique one!

In this batch, we have aged Legion – our
popular Russian Imperial Stout – in a variety
of bourbon and whiskey barrels for months.
The result is a beautiful marriage of the beer,
barrel and spirit, contributing flavors of toffee,
vanilla and candied fruits, all mingling with
roasty, smooth Legion.
