15th Valley 2019 MARLBOROUGH SAUVIGNON BLANC

Located on the eastern end of the famous Wither Hills in New Zealand's Marlborough Wairau Valley, 15th Valley is a unique wine growing micro climate. The shape of the valley limits the vineyard size to 70 acres of grape canopy. As the vineyard rows flow up the hill slopes the Southern Hemisphere sun is intensified creating this wine with rich expression of tropical fruits and balanced by natural acidity. The underlying clay soils come through with excellent minerality, hints of wet stone and satin texture to leave the most discerning Sauvignon Blanc drinker satisfied and reaching for the next glass.
