Named after our Grandpa Fred, Fred's Ruby Red captures the essence of our beloved grandfather. Fred was partial to wearing red and even painted his farm and lake houses in what was dubbed, "Fred's Red." The mixture of luscious red grapefruits, vibrant lime, and crisp mint is a perfect nod to Fred's effervescent and wise soul.

Little did we know four decades ago that Grandpa Fred was planting the seed that eventually would grow into Austin Cocktails. Every evening at 5:00, he insisted we all break for "cocktail time." Adults chose their drinks, and someone made Shirley Temples for us kids. Cocktail time taught us it's a lovely thing to pause, take in your surroundings, and maybe even stamp that moment with a simple, beloved tradition.
