ONE TO CELEBRATE THE MANY

Making whisky is an inherently communal activity. Every bottle that we produce is the end result of a lot of great people doing their job well. This first Staff Selection bottling is a single barrel of our Texas Single Malt that was hand picked by our entire team to celebrate the closing of another year of making exceptional spirits together. We rummaged through our stocks to find an appropriate barrel to commemorate our crew and all their hard work. We love making whisky, and sharing it with you.

GO TEXAN.
