SULLERBA SPARKLING WINE CLASSIC METHOD ZERO DOSAGE

PRODUCT OF ITALY

Wine 'on the lees' made from 100%
Chardonnay
fermented in amphora and
stainless steel with the use
of indigenous yeast.
Second fermentation in the bottle
with the must of the same grapes.
Not disgorged. Zero dosage.

Sullerba is bottled without
microfiltration, and therefore
retains a high percentage
of the lees.

*While reading this phrase you are already
preparing for Sullerba to be served in the
best possible way. Turning the bottle upside
down, the yeasts which settled on the bottom
are released creating a cloudy wine full of
the taste and flavour of the original must.*
