PINOTAGE RED WINE 2005
PRODUCT OF SOUTH AFRICA

Our emblem of a Pinotage wine leaf shows the distinctive tooth-shaped gap between the first two lobes. Winemaker Beyers Truter, world renowned for his Pinotage wines, was named International Winemaker of the Year at the 1991 International Wine and Spirit Competition held in London. Pinotage is unique to South Africa. It was created in Stellenbosch by cross-pollinating Pinot Noir and Hermitage (Cinsaut) cultivars. The grapes derive from unirrigated bush vines of 20 - 40 years old in the famous Stellenbosch wine region. Full bodied and complex, this wine embodies the best features of Pinotage. The blackberry and cassia flavours are well balanced with the subtle wood maturation character. It can be enjoyed now, but the smooth richness will develop even further for up to six years. Ideal with venison, red meat, cornies and spicy foods.
