NAPA VALLEY
CABERNET SAUVIGNON
 RESERVE

The Napa Valley, by virtue of an ideal climate and volcanic soils, is renowned for producing Cabernet Sauvignons of richness, concentration, and depth. This wine, from the extraordinary 2006 vintage, displays ample aromas of currants and wild berries along with cedar and espresso, while the flavors showcase the essence of black fruits, toffee, and mocha. The wine pairs exceptionally well with grilled and roasted prime steaks, lamb chops, and semi-soft cheeses.
