PAUL DOLAN®

VINEYARDS

Paul Dolan Vineyards is located in the heart of Mendocino County, Northern California, a secluded land of rich biological diversity and unique microclimates. Grapes are sourced from meticulously tended vineyards, and our balanced winemaking practices support each bottling's expression of terroir for wines of unforgettable character.

Vineyards on the gravelly hilltops above the inland valleys of Mendocino County supply the grapes for Paul Dolan Vineyards Cabernet Sauvignon, an amply structured wine, tasting of rich plum and juiced black currant adorned by mint mocha.
