Our estate is in the heart of Barolo wine region Piedmont. We are the descendents of the family wich has owned these lands since 1340. The Cordero di Montezemolo Langhe Arneis is made from 100% Arneis grapes, typical variety of the area, grown in the family owned hillside Monfalletto vineyard. This wine has a pale straw colour with light green reflections. The bouquet is soft and delicate with scents of flowers such as broom and camomille with fresh fruit aromas like peach and melon. The taste is dry with a little bitterness, giving freshness agreeable persistence. Ideal with starters made of fish (sea and river) and lights dishes of pasta.
