After Meeting at Golf Channel Am Tour event at the famed Kiawah Island Ocean Course in 2016 Blake Barnes & Brandon Casella realized that they shared a love for not only Golf, but also smooth drinking, approachable wines from all over the world. Brandon was not only a veteran of the US ARMY, but veteran of the Wine & Spirits Industry. Blake was a Businessman and was excited to learn about the WS industry. In 2017 they Founded their own company and created 9 Iron Wines. One from FL and the other from the Lone star state, they also realized not only golf ran in their veins, but also a love for their country and providing any support to those who have served. In this spirit, a portion of their sales goes to benefit the PTSD Foundation of America and their "brick and mortar" facility CAMP HOPE in Houston, TX. Enjoy Responsibly and thank you for celebrating your low round of your life, or just another day on life's course with 9 Iron Wines. Cheers
