Soulmate
Sweet Red Wine

A person with whom you have an immediate connection the moment you meet – a connection so strong that you are drawn to them in a way you have never experienced before. As this connection develops over time, you experience a love so deep, strong and complex, that you begin to doubt that you have ever truly loved anyone prior. Your Soulmate understands you in every way and on every level, which brings a sense of peace, calmness and happiness when you are around them. And when apart, you are all that much more aware of the harshness of life. But together, the beauty in life is not only bliss but appreciated everyday because you have been given a great gift and will always be thankful. This sweet red can be enjoyed chilled or at room temperature and is best served with spicy dishes or desserts. It is our hope you will truly love this wine by sharing it with your Soulmate!
