2017 CALIFORNIA ROSÉ WINE

These grapes come from vineyards that benefit from the rich soils and climate of California, typified by the warm sunny days and cool nights. This wine has a bright red hue that resembles many of the rosé wine from the South of France. The aromas and flavors of this wine contain notes of fresh strawberries, cherries, and raspberries are mixed with elements of green tea. This wine makes a great entry to any evening or first course wine.
