2013 CHARDONNAY

We love to source our food from the wild or grow it at home.
Nothing beats the taste of food and wine as nature intended it
- **real:** pure, slow grown and full of flavor.

Just like this Chardonnay, with a dash of Viognier, which bursts
with mixed stone fruit. Perfect with real food from water, field
or forest.

So like us, why not keep it real and go wild with food and
wine matching...

REAL WINE FOR REAL FOOD *Are you Game?*
