The legendary story of bison grass vodka hearkens back to its origin in 14th century Poland.

To this day, in Europe's lone remaining primeval forest—Bialowieza—dwells the continent's last herd of bison, grazing upon the sweet, aromatic flora known as bison grass.

Therein lies the magic of ZU. Crafted with a blade of bison grass in each bottle, ZU is astonishingly smooth, with unparalleled aroma and freshness. Its unique notes of citrus, cut grass, vanilla, and coconut offer a spirit certain to impart a distinctive twist to any cocktail.

Experience the world's most unique vodka tradition. Enjoy ZU. The Original Bison Grass Flavored Vodka.

Produced by CEDC International Sp. z o.o., Branch POLMOS BIALYSTOK, Poland, the only distillery in Poland authorized to produce bison grass flavored vodka.
