S Y N T H E S I S

Although we have historically focused on single grain whiskeys to highlight the raw ingredients, our Texas Wheated Bourbon is one of our first forays into multi-grain mashbills. Composed of our beloved blue corn, Texas red winter wheat and Goldne Promise malt, our Texas Wheated Bourbon is round and fruity with a solid oak spice and tannin backbone. Ingredients combine to create a whisky greater than the sum of its parts; soft and approachable, complex and enticing.
