AFFIX COMPLETE SET OF LABELS BELOW (See General Instructions 4, 6 and 7)

Synchrony suggests a time when entities come together. From our red, rocky slopes high above Oakville, on the south face of Pritchard Hill we have assembled a composite of four varietals. We are extremely proud to be able to share our creation from the terroir of Stagecoach Vineyards with you. Be warned, you may experience some sediment as this wine has been bottled unfined, unfiltered as this vintage and nature allows.
