BASIC.TM VODKA

ba·sic/bāsik/
adjective

Simple and not complicated, so able to
provide the base or starting point from which
something can develop.

At Basic vodka, we believe that great products start with the best ingredients. The quality of our vodka comes from a refined simplicity. Made with locally sourced corn from the Midwest and distilled six times to create an impeccable, American-made vodka. Our focus is what's inside the bottle, not the branding around it. No impurities, no additives, no artificial flavors to mask the taste. To us, basic means nothing but the best.
