Saku White

Orange Muscat and Riesling

The Caddo word for sun is Saku and according to the creation story, the first

Caddo climbed up from darkness beneath the earth to the New World of Light or Sun. The man brought fire, a pipe, and a drum; his wife brought pumpkin and seed corn. Stories such as this have been told and retold to Caddo children, from one generation to the next. Lost Oak winery honors the Caddo and the wonderful oral traditions of their culture.

Please enjoy in moderation.
