CREATING EXTRAORDINARY
WINES FROM A BLEND OF GRAPES
IS A RICH TRADITION IN SOUTH AFRICA.

We've been making wines in the Cape for many years and like to think we know our grapes from our grapes. One single grape variety doesn't necessarily guarantee great flavour but in the right hands, a blend of grapes can be crafted into a very flavoursome wine. We sniff out the quality fruit of each harvest to craft top-notch tasty wine of huge drinkability and food-ability.

Taste: Think of Prime Cuts as a wine grenade; a primed, heady concoction of preposterously rich, luscious juicy fruit. Twist...POW!!
