AMICI CELLARS
NAPA VALLEY
Sommeliers & Winemakers

Amici is, at its core, a story about friends. In 1991, a group of friends with a passion for good wine established a few tiny vineyards in the Napa Valley for our personal cellar. The resulting wines received such outstanding accolades that we started producing wine the very next year to share with the public. We chose to name the wine, appropriately, "Amici" (friends) in Italian.

Today at Amici we continue our tradition of making small production, artfully crafted wines to share with friends. Because we insist on keeping our production small, we can carefully control the process of creating each wine, striving what we like to consider a small work of art in each bottle.

This 2010 Sauvignon Blanc is blended from 100% personal vineyards in the Napa Valley. Crisp mineral and a hint of citrus balance the richness of tropical fruits, spice and honeydew in this graceful Sauvignon Blanc. Serve this wine lightly chilled, paired with virtually any summer food. It goes especially well with grilled fish, poultry and light pasta dishes.
