wild south

MARLBOROUGH
CHARDONNAY - 2011

"Wild South is where the skies are wider, the mountains taller and the patterns of life are etched into the land. Here the rivers have for eons built the perfect home for grapevines, allowing us to capture the spirit and intensity of the land. In this bottle, the character of Marlborough has found true expression.

The vibrant fruit intensity of Marlborough Chardonnay is well suited to a subtly oaked winemaking style.

This wine has a lifted nutty palate and elegant texture which will only be enhanced with time.
