LOST APPLE PROJECT
S CHAMPLAIN
WILD APPLE CIDER OF VERMONT

The apples of America's early cider tradition, lost for a variety of reasons, are not hard to find in Vermont - once you know what you're looking for. Though far less numerous than they once were, the trees materialize around every bend, and over every hill, hiding in plain sight. To us, these trees represent a door to another time, and the basis for superior cider.

Produced By SHACKSBURY
75 Meigs Road Vergennes, VT 05491

Shacksbury
