TEXAS ALCOHOLIC BEVERAGE COMMISSION

Blue Ostrich WINERY VINEYARD

Blue Ostrich Winery & Vineyards plays host to several live ostrich that remain from our days as a working Texas ostrich ranch. Our guests enjoy taking pictures and interacting with them. Like any bird, the ostrich have talons for defensive purposes or to catch their food. With our Blue Ostrich TALON, we've created a dry red blend that compliments many of our Texas favorites like grilled rib eye and baby back ribs.
