2018

REDWOOD VALLEY

Tannat

organic wine

CONTAINS ONLY NATURALLY OCCURRING SULFITES
NO ADDED SULFITES

Alcohol 14.1% by volume

Originally grown in the south of France, Tannat is the national grape of Uruguay and is deeply colored and robustly tannic. Our young Tannat vines, some of only 250 acres planted in the U.S., produce a rich and complex wine with hints of fruit compote, woody spice, and a long, lingering finish. Pair with braised pork, curried onions, or intense dark chocolate. Starting with grapes grown on organic family farms, this wine was crafted in accordance with the USDA organic winemaking standards, with no added sulfites. We ferment our wines with traditional yeast. All Frey wines are organic, from the vineyard, to the cellar, to the table. No preservatives. Store in a cool place.

Family Owned and Operated, www.freywine.com 750 ML.
