CHARDONNAY 2005

Alta Vista, from the French Edonia family wine group, has the pleasure to introduce Argentinean wines which express the true typicity of its varieties and terroirs. The quality Premium is the fruit of our expertise of adapting to each varietal our knowledge and experience of viticulture, winemaking and ageing in order to enhance its own expression.

This Chardonnay was aged during four months in oak.

We invite you to enjoy our wines around the world and appreciate to its full extent this agreeable Argentinean experience.

The temperature of service must be adapted to each varietal. To appreciate all of its characteristics, we recommend serving this Premium Chardonnay between 9 to 10°C (48 and 50°F).

This wine is a natural product therefore it can have sediments in the bottle.
