XANADU

Established 1977

— DJL — 2016 CHARDONNAY

DJL refers to Dr John Lagan, the founder of Xanadu Wines and one of Margaret River's pioneering vignerons.

Select parcels of Chardonnay from mature vineyards in the maritime Margaret River region have created a wine of character and focus. White fleshed stone fruit, pears and zesty citrus combine with texture and complexity resulting from barrel fermentation using wild yeasts.

A wine brimming with character and pristine fruit which highlights the personality of this great wine growing region.

An abstract geometric pattern composed of interlocking hexagons and cubes. The pattern is rendered in a high-contrast, black and white style with a grainy, textured appearance. The shapes are arranged in a way that creates a three-dimensional effect, with some faces appearing to be highlighted in a light gray or white color against a dark background.
