Pinot Noir

SANGIACOMO VINEYARD
SONOMA COAST

SOJOURN CELLARS

Grapes for this wine were sourced from the Sangiacomo Vineyard along Roberts Road in the Petaluma Gap. The vineyard is moderated by cool climate, allowing the grapes to achieve optimal ripening while retaining natural acidity. Pinot noir clones 115 and 777 form the foundation, while clones Pommard and Swan were blended in for added complexity and depth. This wine has a creamy texture with concentrated flavors of red fruit and earth.
