OZEKI SAKE *Freshness is the Secret of Good Sake.*

The finest sake in the U.S.

- We brew it locally, using only locally grown short grain rice, the kind they use in Japan.
- We mill the rice at our facility to ensure complete quality control.
- We combine it with the pure waters of the Sierra Nevada.
- Our certified *toji* (sake brewmaster) oversees the process from start to finish.

This well-balanced traditional sake is *full bodied* with a light melon flavor.
