Lodi
Cabernet Sauvignon

14.5% ALC BY VOL

It wasn't long after the first harvest of our French clone 337 Cabernet Sauvignon, that the phone began ringing from winemakers all over California. The reputation of this special clone of Cab from our vineyard spread quickly, and for years it has been blended into some of California's best Cabernets to add depth of flavor and structure.

After too many years of hearing, "you know... you really should bottle this Cab yourselves.", we decided to do just that!

This big, bold, full-bodied Cabernet should be served with food acceptable at a Viking feast!
