Our goats do roam at Fairview! From their famous tower west to our tasting room and the Goatshed Restaurant, they have a view over the surrounding vineyards and the magnificent Paarl Valley. These curious and mischievous animals not only provide joy to us and our visitors, but also produce high quality milk for our award-winning cheese.

Occasionally they jump the paddock and stray into the vineyards, sampling delicious bunches of grapes - just like our winemaking team who are constantly sampling from the vineyards of the Cape, in search of those special grapes for this full-flavoured blend.
