Discover Elegant Georgian Wines

Our Saperavi is made from 100% Saperavi grapes sourced from state owned old vines grown in the Kakheti region of the Country of Georgia. The wine was fermented in Qvevri large clay jars buried under the ground following the 8,000 year old Georgian traditional method. Stunning array of red fruits and berries are followed by a full and velvety wine with a touch of spices and earth. This elegant Saperavi is shockingly good as it is, but also has a great aging potential.
