GREEN VALLEY OF RUSSIAN RIVER VALLEY

GUNSALUS VINEYARD

After successful careers in medical research and business, Glen and Pamela Gunsalus created their hillside vineyard in Green Valley of Russian River Valley. Their goals were to plant the right vines in the best location, make the vineyard sustainable, preserve their land and environment, and maintain good wildlife habitat. They meticulously tend the vines in their vineyard, which has well drained, Sebastopol loam and Goldridge sandy loam soils. The Gunsalus Vineyard's premium quality fits perfectly into the single vineyard designated series of the Ron Rubin wines.
