APPLE
TREE

SERIES

Mr. Green, part of our Apple Tree Series, is an uniquely bright, dry and well-balanced single varietal cider that is deciliciously tart. Made from Rhode Island Greenings, this refreshing cider drinks more like a coastal Italian white wine with wonderful minerality and complexity.

The Greening is a well-known American heirloom apple that dates back to the 17th century - making it one of the oldest cultivated varieties in the world.

GLUTEN FREE
