CARIÑENA

Cariñena is the only region in the world that gives its name to a grape variety because of its origin. The same name Cariñena used to distinguish the Appellation of Origin, created in 1932, among the oldest officially recognized wine regions in Spain.

This is an unique wine made from Cariñena in Cariñena within the Cariñena Appellation of Origin. A tribute to our land and all our vine growers and their families who, for generations, have worked it with great effort, enthusiasm and affection, making wine their livelihood and spreading the Cariñena name all over the world.
