DEVILS RIVER

STRAIGHT RYE WHISKEY

Exceptionally pure water - that's what makes
Devils River Straight Rye Whiskey the
smooth small batch Straight Rye Whiskey
you enjoy today. Legendary Texas Ranger
John Coffee Hays named this powerful
waterway the "Devils River" in 1840, and
from his ingenuity, our namesake was born.
The naturally-filtered limestone spring water
is considered the purest water in Texas. The
iron-free, sweet spring water is ideal for
crafting an unrivaled Texas Straight Rye
Whiskey. It's purity unmasks all the
delightful nuances we worked tirelessly to
emphasize in every sip. Here's to living a
life that's never short of extraordinary.
