MARICHAL MERLOT PREMIUM VARIETAL

*The Marichal Family came across the seas
to a land of birds and natural peace.*

Uruguay is the country of birds because, in the native language, it means "river of the painted bird." A great variety of birds fly over the undulating and natural fields intermingled with small rivers that run into the **River Plate**, on the **South Atlantic Ocean**.

Our family vineyards, located just 25 km away from the sea, are refreshed by a cool maritime breeze which moderates daytime temperature and matures the grapes elegantly. Following our proud family tradition, as well as using the most modern winemaking techniques, this 100% Merlot displays balance, elegance and harmony, and is lightly oaked. It is a smooth and rich wine. We recommend enjoying it between 16°C and 18°C.
