Lodi 2013 Tannat

15.3% Alc. by vol.

2013 • LODI  
Tannat

A nod to the varietals less recognized, INKBLOT pays homage to those left unnoted and simply left to be just "blending varietals". Here these varietals find a niche of their own allowing a peek into another side of Lodi, the darker side.

Our Tannat has found a friendly foothold in the slightly hilly southeast edge of Lodi. The red gravelly loam soil in this area provides excellent drainage for this water adverse variety. Often revealing complex aromas of ripe muscular fruit that emit from the glass along with freshly crushed raspberry, black cherry and licorice are all on the mid palate.
