Southern Art

From The City of Trees appears this quintessential Southern single malt, a whiskey distilled in Scottish-style twin copper pot stills from 100% malted rye. We combine this time-honored method with grain-in distillation, presenting you with a flavorful whiskey of chocolate & spice. Americans' original grain of choice, rye fell out of favor during Prohibition. Today, rye has risen from the charred remains of the mid-20th century. We're in the midst of a modern-day renaissance. Discover our unique take here, a true work of Southern Art.
