PEAR BRANDY

Where refinement meets bravado

DISTILLED FROM DRY-FARMED, ORGANIC BARTLETT PEARS, OUR award-winning pear eau de vie is rich with fresh pear aromas, honey and spice — as profoundly aromatic and flavorful as the fruit itself.

As America's original maker of eau de vie, distilling fruit brandy is one of our most sacred tasks. For the last three-plus decades, we have eagerly anticipated each harvest as an opportunity to take an olfactory snapshot to capture exactly what the raw material smells like at its peak of ripeness. Our artisanal process requires 30 pounds of fresh, flawless pears to make the bottle you now hold. Whether you sip this eau de vie, or enjoy it in a cocktail, it will transport you.
