Castle Rock

Our Castle Rock Zinfandel is produced from grapes grown in California's Lodi region, which is recognized as a premium growing location for Zinfandel grapes since the 1850s. Here, the classic Mediterranean climate with its warm dry summers and cool moist winters along with deep, sandy clay loam soils provide the perfect environment for the production of first class wines.

This full-bodied wine has outstanding complexity and character with flavors of blackberry, raspberry and plums mixed with notes of pepper, spice and earth, leading into a soft and lingering finish. Our Zinfandel pairs well with foods such as grilled chicken, steak or lamb and most pasta dishes.
