KASUMI TSURU *The Crane of Kasumi* YAMAHAI TOKUBETSU JUNMAI SAKE

Kasumi Tsuru, a small artisan saké brewer founded in 1725, has earned a reputation for brewing some of Japan's finest examples of *kimoto* and *yamahai* style saké.

The yamahai method of saké brewing yields distinctive and complex umami flavors showcasing a hint of sweetness and slightly higher acidity.

This full bodied saké has an exquisite balance of acidity and sweetness that lingers with hints of fresh cheese, toasted nuts and maple. Serve lightly warmed or at room temperature.
