Austin Hope

2014 MOURVÈDRE

TEMPLETON GAP DISTRICT, PASO ROBLES, CALIFORNIA

On a damp spring afternoon in 2011 while watching her dad film a video in their vineyards, Austin Hope's then 8 year old daughter Ainsley grabbed one of the cue cards and wandered off to a patch of nearby oak trees. Realizing she could finger paint with the wet, clay-based soils found on the property, Ainsley created a mud painting of a pig-like beast that she presented to her dad when she returned. This label is a scanned version of her original painting which hangs proudly in their family's home.
