The Mission Hardware Story

The F. Duhring General Merchandise Co. was founded on the corner of Napa Street and First Street East in 1850. Originally an adobe, it was replaced with a domed brick structure in 1891. The Duhrings remained the occupants until 1926 when

August Pinelli and partners took over the business and established Mission Hardware. The building narrowly escaped a disastrous fire in 1911 only to be destroyed by fire in 1990. With community support, it was reconstructed and today is home to our Highway 12 Winery Tasting Room and

Cellar Club. This hearty red wine is dedicated to the spirit and preservation of historic Sonoma.
