BALCONES BABYBLUE

made with 100% blue corn.

750 ml.

CORN WHISKY

46% ALC/VOL.

TEXAS MADE

HANDCRAFTED

BABYBLUE

This unique corn whisky is made from roasted Atole, a Hopi blue corn meal, which has been used by the Hopi for thousands of years in many ceremonies, representing wisdom and understanding, and the strength that comes through overcoming hardship. We use this rich and nutty corn to produce a unique corn whisky that we hope will bring something new to the corn whisky tradition.

Baby Blue isn't bourbon nor is it white lightning. It has the freshness and verve of traditional corn whisky but with a refined complexity added by brief aging in oak. The result is a round nuttiness and roasty overtones with a smooth finish.

Baby Blue – a fresh and young yet complex and elegant corn whisky.
